

Dermaroller®

Genuine Dermaroller™ Therapy™
Natural Skin Regeneration & Scar Repair
RESULTS

Genuine Dermaroller™ Therapy™

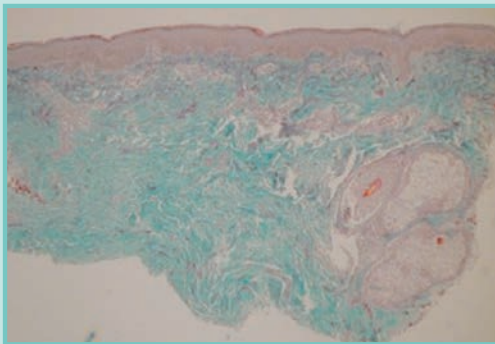

Natural Skin Regeneration & Scar Repair

Genuine Dermaroller™ Therapy™ can significantly improve the appearance of:

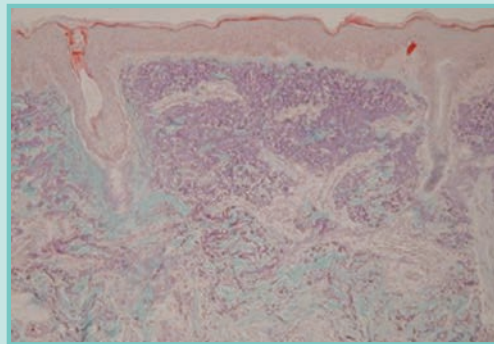

- Acne scars
- Facial and décolleté lines & wrinkles
- Sun damaged skin & pigmentation
- Stretch marks

Genuine Dermaroller™ Therapy™ provides advanced micro-medical skin-needling, a procedure that stimulates the skin to regenerate and repair itself naturally and safely, creating smoother, brighter, healthier, younger-looking skin.

Skin Biopsy images showing new collagen

Before

After

Before and after Genuine Dermaroller™ Therapy™. The area stained purple in the skin biopsy taken after a Genuine Dermaroller™ procedure is newly formed collagen.

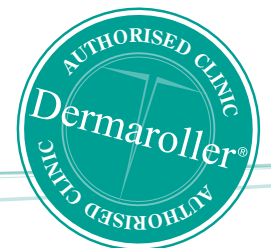

Genuine Dermaroller™ Therapy™ utilises sterile single-use medical devices.

Quality and safety are guaranteed.

Genuine Dermaroller™ Therapy™ is only available from trained medical practitioners and authorised clinics.

Do not accept substitutes, only have Genuine Dermaroller™ Therapy™ carried out by a trained medical practitioner at an authorised clinic using Genuine Dermaroller™ medical devices.
